A Peek at Our Week

Reading Workshop: For the Love of it!

Next week we will read for the love of it! We will spend time rereading some of our old favorites and finishing up our Mysteries book clubs.

Writing Workshop: Poetry

We are finishing up our poetry anthologies next week!

Math Workshop: Math Games

Next week we will focus on probability and time.

Health: Ecosystems

We finish up ecosystems next week.

Upcoming Events

May 31st-No School- Memorial Day

June 1st- Class picnic at 11:30.

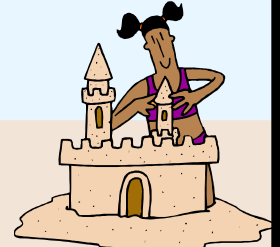

June 3rd-1 hour early release

June 4th- Last day 1 hour early release

Mrs. Haynes' 2nd Grade

Don't forget to hang out on our website this summer to keep skills sharpened and to reminisce about our time together!

Notes from the Teacher:

I cannot possibly do my job well without wonderful supportive parents like all of you! It has been my pleasure to teach "our" children well and watch them grow into great people. Next week I'm a little selfish with "our" kids. I need time with them to feel connected, and they are showing signs that they need it, too. I will not need any volunteers, although I'm extremely grateful for your time that you have so generously given to our class over the year.

Class Picnic is Tuesday!

Don't forget to join us for our class picnic!! Meet us in the lobby at 11:30. We will eat by the flagpole. There will be a special presentation afterwards in our room if you are able to stay!!
